

Fundraising

Ever thought of holding a raffle for r(20)?

We have been exceptionally lucky to have been donated a large number of prizes for our raffle - in fact too many for the raffle at our Saturday gala dinner! So we wondered if any of you would consider holding a raffle event for us in the future, to help raise funds for r(20)?

We can supply you with the box of raffle prizes in Liverpool - all you need to do when you go home, is find some friends, family, work colleagues, neighbours, or school chums to buy tickets! Easy...?

If you're interested in taking us up on this, please speak to Allison or Ann.

Sue's handmade cards for sale...

To offer you a little retail therapy at Everton FC on the Saturday we will have some of Sue's lovely handmade cards available for sale.

So during the breaks have a browse; each card is unique and handcrafted. If you are willing or able, we would be happy for you to take a batch of cards home with you to sell on to family and friends, to help raise funds for us. If you'd like to help us in this way, simply speak to Allison or Ann to arrange.

All proceeds go towards Ring20 Research and Support UK CIO.
